Thank you to Lisa Redmer for all of the work you did to make this event a reality. A massive amount of preparation and organization goes into making an event like this successful.

Thank you to all the adult volunteers who helped to oversee the task groups, making sure the myriad of projects were completed successfully and safely. Your assistance and donation of equipment allowed the projects to be completed efficiently.

Thank you to the local businesses, governments, and individuals for your generous donations.

Thank you to the many community members and businesses that found jobs for the volunteers. The Bellevue School Students were kept busy providing community service for the day.

Thank you to each and every one of you. Without the effort of every group mentioned, the event could not have been a success. The Village of Bellevue looks forward to working with everyone again in 2014.

**Washington Park United States of America Flag:**

The United States of America Flag that is proudly flying in Washington Park was generously donated to the Village of Bellevue by Rick and Shelley Pulliam. The flag

was donated in memory of Shelley's Aunt Margaret Barth. Margaret served in the United States Military during World War II and the Korean War.

Upon her passing the Pulliam's donated this flag to the Village of Bellevue to honor her service to our country. Thank you.

### **Dogs in the Village:**

The Village is asking for our dog owners' cooperation. With the increase in the people walking and bicycling the Village asks that you take all the necessary steps to keep your dog under control. Dogs need to be on a leash when being walked through the community and fenced, chained, or under the owners control by some other method while on its own property. Even animals with friendly dispositions that mean no harm can scare a walker or biker if it approaches them or chases them. This can be especially true with our younger residents. The Village has received a small number of complaints and we are hoping to curtail the issue before it becomes worse. Thank you for your help.

### **Washington Park Flower Garden & Flowerpots Downtown:**

We have the 20<sup>th</sup> Century Club, Etc. Club and the Lioness Club to thank for the beautiful flowers planted around the downtown area. The 20<sup>th</sup> Century Club plants and maintains the flowers around the flagpole in Washington Park. The Etc. Club plants and maintains the flowers next to their wonderful bench along the downtown sidewalk. The Lioness Club plants and maintains the various flower pots placed downtown. These groups not only purchase and plant these flowers but also continue to maintain them throughout the summer. We appreciate all the hard work and dedication of these groups, which help to make our downtown a nicer place to be. Thank you, ladies!

### **Bellevue Farmer's Market:**

The farmer's market will be returning to Bellevue in 2013. The Village of Bellevue is working with the Battle Creek Farmer's Market Association to again have a local farmer's market. You can find the association online at <http://www.battlecreekfarmersmarket.com> or its Facebook page.

The market will be held on Thursday's at Washington Park. Its hours of operation will be from 3:00 p.m. to 6:00 p.m. Opening day for the market will be Thursday, June 6. It will run every Thursday through October 31.

The market participates with Project FRESH and Senior Project FRESH. It can accept Bridge Cards, Double Up Bucks, and credit cards.

Local vendors are encouraged to participate with the market. The farmer's market is an excellent means for local growers and producers to reach new customers. Qualified vendors who wish to become part of the market should contact Brigette Leach, 269-746-4648.

Community members are encouraged to visit the market. Visiting the market is not just about the shopping, but it is an experience. While browsing the many varied stalls you will meet vendors with a wide spectrum of fresh fruits and vegetables, meats, baked goods, garden plants, flowers, and even some high quality, locally produced crafts. The vendors are friendly and full of advice and good ideas on how to prepare or use the many products you will find. You will also run across your friends and neighbors. It is not uncommon to see an old friend that you may not have seen in years. When you do stop, chat a bit, enjoy the Michigan outdoors and Washington Park and the amenities it offers. The park offers many pieces of playground equipment so it is an excellent location to bring the children and spend some time. The Village will also be sponsoring live music at the park on some Thursday evenings. Watch the Village's Facebook page or call Village Hall, 269-763-9571, for more information.
