Art Mural on Capital Ave:

The Village of Bellevue has a new piece of art work gracing the community.

The Bellevue Community Schools Art Club has completed a mural that is now installed along E. Capital Ave near Sherwood Rd, across the street from the Riverside Café and Butler Park Boat Launch. It is a fun picture of sunflowers. The mural is a welcome addition welcoming summer after a long winter.

Thank you to the all the students and staff at Bellevue Community Schools for the work you have done on this by installing the framework, painting the mural and installing the sign.

Thank you to Art Teacher Audrey Haddock and Village Council Member Tom Moon for all your hard work bringing the art project to life.

The 20th Century Club plants and maintains the flowers around the flagpole in Washington Park. The Etc. Club plants and maintains the flowers next to their wonderful bench along the downtown sidewalk. The Lioness Club plants and maintains the various flower pots placed downtown. These groups not only purchase and plant these flowers but also continue to maintain them throughout the summer.
