Spring Clean Up

The Bellevue Community Spring Clean Up was a success. Many Bellevue Township and Bellevue Village residents took advantage of this opportunity and it was a busy morning. At times vehicles were backed up for quite a distance, even reaching all the way down S. Williams St from the compost site to Capital Ave. For those who waited, we appreciated your patience as we unloaded vehicles as fast as we could.

When it was finished we filled five very full 30 yard dumpsters of trash, two full 30 yard dumpsters and a trailer with scrap metal, several tires were turned in, and 80 gallons of used automobile fluids.

Thank you to all the volunteers that helped out during the event. The following individuals worked at the site itself: Mark Bassett, Matt Boehmer, Travis Brininstool, Tim Colton, Greg Crawford, Linda Crawford, Randy Gardner, Sherri Gardner, Jacob Gunn-Jackson, and Mark Jordan.

Thank you to the Bellevue Wrestlers group who worked to pick up items around the community.

Thank you to R&D Salvage for hosting the scrap metal portion of the event.

Thank you to Stephen Racine and Bellevue Auto Service for providing the opportunity for residents to recycle tires and used automotive fluids.

Bellevue Community Pride Day

Thank you to everyone who participated in Bellevue's Community Pride Day held on Friday, May 6. Much was accomplished with many eager, helping hands.

Thank you to the contingent of approximately 130 students from the Bellevue Community Schools under the organizational direction of teacher Lisa Redmer who impressed and amazed the community with your willingness to do whatever was asked of you, all for the betterment of the community.

Thank you to Lisa Redmer for all of the work you did to make this event a reality. We appreciate all the preparation and organization as well as the oversight of students on the day of the event.

Thank you to the adult volunteers who helped to oversee the task groups, making sure the myriad of projects were completed successfully and safely and making sure lunch was a success.

Washington Park Flower Garden & Flowerpots Downtown

We have the 20th Century Club and Judy Ruffner and Crew to thank for the beautiful flowers planted around the downtown area. The 20th Century Club plants and maintains the flowers around the flagpole in Washington Park. Judy Ruffner and Crew, including our local Girl Scout Troop, plants and maintains the various flower pots placed downtown. These groups not only purchase and plant these flowers but also continue to maintain them throughout the summer. We appreciate all the hard work and dedication of these groups, which help to make our downtown a nicer place to be. Thank you, ladies!
