November 8, 2016 General Election:

At the Tuesday, November 8, 2016 General Election, residents of the Village of Bellevue will be electing representatives to serve on the Village Council. There will be three 4-year Trustee seats open for election on the ballot.

Flushing Water Mains

The Village will be flushing water mains on Tuesday, October 11 and Wednesday, October 12 to remove accumulated sediments. While flushing doesn't affect the safety of the water supply, tap water may appear cloudy or discolored immediately after flushing. The Village is advising residents to run their cold water in their bathtub or utility sink until it runs clear again.

Snow Plowing

The Village needs your help. While it may still be some time off, winter will arrive before our next newsletter. This means our public works department will be out with the snow plows. We need residents to make sure all vehicles and other items such as garbage cans are kept back from the edge of the road. The trucks will plow approximately one to one and a half foot off the street edge to make sure the snow is pushed back. Please keep everything well back from the street edge.

Parking on Village Streets

The Village of Bellevue Code regulates the parking of vehicles on public property within the Village Limits. The following is taken from the Village's Code:

§ 136-3. All-night parking.

No person shall park or allow to be placed or parked upon any street, alley, or highway any vehicle between the hours of 3:00 a.m. and 6:00 a.m.

The reason for this section is to allow our public works department to maintain the Village streets. Vehicles parked on the streets prohibit the removal of debris such as leaves and snow. The Village is asking for the community's cooperation in ensuring that vehicles are not on the streets at the above times. If vehicles are located on the streets they will be ticketed and could be towed at the owner's expense.

Halloween

The Village of Bellevue will be celebrating Halloween on Monday, October 31, 2016. While the Village does not set hours for trick or treaters the generally accepted times are from 5:00 p.m. until dusk.

Parents please walk with your children. The Village streets are busy during trick or treat hours and during this exciting time for young children they do not always remember to watch for vehicles before crossing the street. Drivers please keep in mind that there are several small children walking our community on Halloween evening. We need to pay special attention to keep the youth of our community safe.

The Downtown Development committee is sponsoring a Halloween celebration to be held in Washington Park on Saturday, October 29, 2016 from 4:00 p.m. to 6:00 p.m. The celebration will have a pumpkin drop, Halloween costume dance, pumpkin carving contest, and family friendly games for everyone to play. The goal of the event is to provide a safe, family friendly environment that community members can attend to have a fun evening with their families, neighbors, and friends.
