Flushing Water Mains

The Village will be flushing water mains on October 16th & 17th to remove accumulated sediments. While flushing doesn't affect the safety of the water supply, tap water may appear cloudy or discolored immediately after flushing. The Village is advising residents to run their cold water in their bathtub or utility sink until it runs clear again.

Snow Plowing

The Village needs your help. While it may still be some time off, winter will arrive before our next newsletter. This means our public works department will be out with the snow plows. We need residents to make sure all vehicles and other items such as garbage cans are kept back from the edge of the road. The trucks will plow approximately one to one and a half foot off the street edge to make sure the snow is pushed back. Please keep everything well back from the street edge.

Parking on Village Streets

The Village of Bellevue Code regulates the parking of vehicles on public property within the Village Limits. The following is taken from the Village's Code:

§ 136-3. All-night parking.

No person shall park or allow to be placed or parked upon any street, alley, or highway any vehicle between the hours of 3:00 a.m. and 6:00 a.m.

The reason for this section is to allow our public works department to maintain the Village streets. Vehicles parked on the streets prohibit the removal of debris such as leaves and snow. The Village is asking for the community's cooperation in ensuring that vehicles are not on the streets at the above times. If vehicles are located on the streets they will be ticketed and could be towed at the owner's expense.

Bicycle and Pedestrian Safety

There are several community members that are taking advantage of the good weather we are having this fall and spending time walking or riding bicycles around town. It is a great way to explore our community and visit with neighbors and the Village would like to encourage it. This activity does come with certain hazards though in our primarily motorized vehicle world. When you are driving on our streets or entering and exiting driveways please be mindful of this and make sure to watch for pedestrians or bicyclists. Let's share our right of ways, streets and sidewalks, with all methods of transportation safely.

Halloween

The Village of Bellevue will be celebrating Halloween on Thursday, October 31, 2019. While the Village does not set hours for trick or treaters the generally accepted times are from 5:00 p.m. until dusk.

Parents please walk with your children. The Village streets are busy during trick or treat hours and during this exciting time for young children they do not always remember to watch for vehicles before crossing the street. Drivers please keep in mind that there are several small children walking our community on Halloween evening. We need to pay special attention to keep the youth of our community safe.
