The council discussed the election results on the Millage Proposal, which did not pass. There was some discussion about chip and seal, but the council is still concerned about where the money to pay for it will come from. Also discussed was the Bellevue Fire Control Board's proposed contract that needs to be signed by August 31, 2024, and paid for by September 1, 2024. Many residents were here and voiced their concerns and opinions about the potential lack of coverage if the contract was not signed. The council also discussed the Bellevue Mill Dam and would like Mr. Stockhausen to attend a council meeting to discuss the options moving forward.

H. Coy moved to adjourn the meeting at 9:17 p.m., seconded by L. Pfiester. Motion carried.
