The council discussed putting the vacant council seat opening on the village website and in the newsletter if the position is not filled by then. The position will remain open until filled. N. Roberts will put the importance of not parking on the street or in the village right of way when we get large amounts of snow because it makes it harder to clear the roads and can create dangerous situations. Leaf pick-up was discussed, and the DPW employees picked up an extra week longer than planned. The council discussed only having one meeting in December, and it was decided that it would be on the 17th. N. Roberts will post it on the door and website.

S. Roberts moved to adjourn the meeting at 9:00 p.m., seconded by L. Pfiester. Motion carried.
