	<u>\$134.92</u>

B. Balkema moved to reject the \$212,414.24 offer from the Bellevue Fire Control Board and ask for the fair market value as stated in the 1980 contract along with the donated items added because those are also assets of the Fire Control Board. N. Roberts is appointed to make decisions on behalf of the Village Council on this going forward until a fair market value appraisal and settlement offer is presented, seconded by H. Coy. Motion carried.

R. Spaulding moved to accept Duckworth Excavating's bid of \$5,800.00 to replace the concrete in the DPW garage and extend the garage door, seconded by L. Pfiester. Motion Carried.

H. Coy resolved to appoint N. Roberts to sign all MDOT Trunkline Contracts as needed for the Village of Bellevue, seconded by B. Balkema. Motion carried.

The council discussed the Central Business District Zoning Ordinance and what was allowed and what was not. N. Roberts is going to do some more investigation to review at the next meeting. Jake Jackson confirmed that the Fire Department is still installing smoke and carbon monoxide detectors for free in homes. Residents just need to call the fire department to set up an appointment. Spring Clean-Up is May 4th; we are looking for volunteers if anyone can help.

S. Roberts moved to adjourn the meeting at 8:25 p.m., seconded by H. Coy. Motion carried.

Nicole Roberts – Bellevue Village Manager
